THE SHORE CLUB

TURKS AND CAICOS

[www.theshoreclubtc.com](http://www.theshoreclubtc.com)

The Turks and Caicos Islands are home to Providenciales’ newest resort, The Shore Club on Long Bay Beach, a premier destination for leisure travel, memorable events, and amazing getaways for groups.

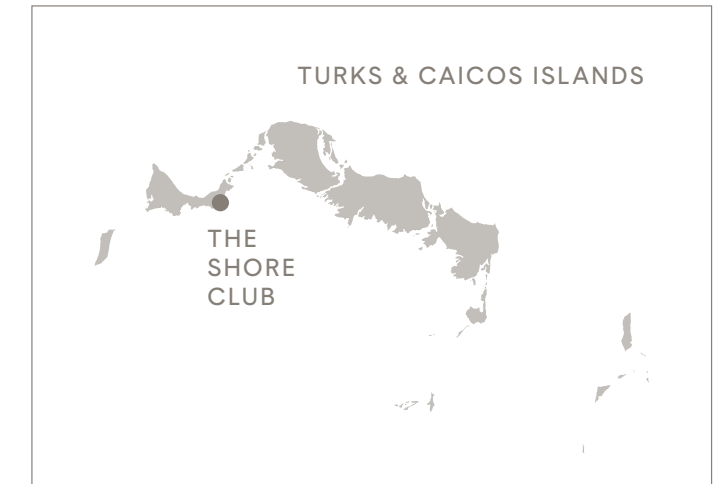

The 106-suite resort embodies a warm and inviting atmosphere enhanced by modern amenities, and elegant suites, and penthouses. Situated on a lush nine-acre landscape, it features an incredible 820 feet of beachfront and unobstructed views of magnificent Long Bay Beach. The Shore Club’s convenient location is only 10 minutes away from shopping, local restaurants, entertainment, and the world famous Grace Bay Beach, the location of The Palms, and only 15 minutes away from Providenciales International Airport.

## Accommodations

### Oceanfront Suites

The Shore Club's oceanfront suites are generously sized one, two, three-bedroom, and penthouse suites. They all incorporate the best elements of architectural design and offer outstanding, panoramic views of Long Bay Beach. Each elegantly appointed suite features master with king bedding, stand up shower with soaker tub, a private terrace, full-size sleeper sofa and a full kitchen. Master suites also include butler service. Second and third bedrooms have stand-up shower with soaker tub, a private terrace, sitting area with sleeper sofa and mini-refrigerator with espresso machine. Junior suites are ocean view or garden view and offer king or twin bedding, a stand-up shower and soaker tub, sitting area with sleeper sofa, espresso machine, mini-refrigerator and outdoor terrace.

### Estate Villas

Each villa features six bedrooms, including the grand master suite, three spacious guest rooms with large private baths, and two "flex" rooms that can be quickly adapted to accommodate adults or younger members of the family. Villa guests will also enjoy Butler service.
